1. Sixty-five re-2s, four biplanes, and one twin-engine, low-wing monoplane with single rudder unit, of the type regularly seen in Wiener-Neustadt (O 48/A 35), were stationed at the Strasshof (P 49/S 50) airfield on 19 June 1950. * The re-2s were parked in two rows of 12, three rows of 11 and one row of 3 planes. Five re-2s were in the air. There was much flying. Several radio trucks with antennae were seen.

* [REDACTED] Comment. Only two regiments were apparently stationed at the field. The third regiment is presumably at the Horn-dorf airfield. [REDACTED] To date, three regiments of the 8th Gds Bmr Div have been believed stationed in Strasshof.

** [REDACTED] Comment. [REDACTED] 25X1B

*** [REDACTED] Comment. The existence of an aircraft repair shop in Deutsch-Wagram was previously reported. [REDACTED] 25X1A

[REDACTED] Only aircraft of the Strasshof airfield are probably repaired there. [REDACTED]
